

ROBERT MULLER SCHOOL / CENTER FOR LIVING ETHICS

TUITION CONTRACT

School tuition is calculated on an annual basis, payable at the start of each school year. We are sensitive to the fact that people have different needs with regard to fulfilling their financial obligations. Therefore a payment plan is available which will divide the yearly tuition into ten monthly installments.

Your tuition obligation remains regardless of early withdrawal and prepaid tuition is not refunded.

Registration and supply fee are due upon enrollment.

If tuition is paid by installment, payment is due on the first of each month. Your first monthly installment of \$ _____ is due on the 1st day of August of the current school year with subsequent installments due on the first day of each consecutive month until the account is paid in full.

If tuition payment is made after the fifth of the month, please add a \$25 late fee to your payment. Statements will be sent only if the account is past due. There are no interest charges included in installment payments. Prepayments may be made at any time. Because tuition is calculated for the entire school year, each tuition payment is the same regardless of the number of days in the month. Tuition will not be reduced for months with school holidays, days missed due to personal holidays or illness.

Please submit all checks to the office with your child's name and "tuition" written on the memo line. Please write a *separate* check for anything other than tuition and label it accordingly ("field trip," "produce co-op," etc). *Please make all checks payable to RMCLE.*

In order to keep our tuition at a reasonable rate, we require parents to provide a minimum of four hours volunteer time per month. You may opt to pay additional tuition in the amount of \$15 per volunteer hour each month in lieu of volunteer work.

Please see attached schedule of fees.

I have read, understand and agree to abide by the above tuition guidelines.
